6. NEW BUSINESS

New Business

- A. Oath of Office. Directors Yoder and Spies took the Oath of Office for their upcoming four year terms, effective January 1, 2010. Director Marke, District Board Secretary, witnessed the Oath and completed the paperwork to submit to the Santa Clara County Recorder and Registrar's offices.

7. OLD BUSINESS

Old Business

- A. Flow Study. Staff reported that preliminary calculations of the sewage flow data from October 2008 through March 2009 indicated that the District generates approximately 0.240 MGD of flow to the wastewater treatment plant. Additional calculations will be performed to determine a more accurate figure and the full results will be presented in a report. The District may be able to use this report and data in the future to submit to the City of San Jose. The data may be used to calculate the annual treatment plant fees assessed to the District.
- B. CIP/Repairs FY 2009-10. Staff reported that the list of repair projects for FY 2009-10 had been prepared and the first set of projects would be put out for bid after the first of the year. Staff anticipated that the repairs would be bid out in groups of four to five repair sites per project.

- 8. SUBCOMMITTEE REPORTS** – Director Marke presented further details regarding the transfer of payroll and direct deposit responsibilities from Addison Avenue Credit Union to Bank of America and from Intuit Payroll Services to ADP. Additional information will be gathered to decide a course of action.
