

District Counsel for Burbank Sanitary District

The District Counsel provides legal services reasonably required to represent and advise the District in connection with its business. Those legal services include:

- (a) Attendance at regular and special meetings of the Board of Directors.
- (b) Telephone consultation, advice and opinions.
- (c) Litigation services pertaining to litigation arising out of the activities of the District, including monitoring retained outside-counsel.

The District Counsel will work and coordinate with the District Manager-Engineer in providing the required legal services.

Experience in representing public entities required.
