A. Board Vacancy Interviews – Conference call made to prospective candidate, Mr. John Marke, who stated his reasons for interest in and qualifications for the vacant board position. Mr. Soren Spies was asked about the schedule conflict between Board meeting nights vs. his participation in the DeAnza Orchestra. He explained that on dress rehearsal and concert events he would not be able to attend Board Meetings. Mr. Spies was told he could stay as the Board deliberated on their selection for the vacant position, but Mr. Spies chose to leave. Director Carpenter discussed his intention to abstain from voting because of his friendship and former work experience with the Candidate, John Marke. Director Amaya stated he felt it was not necessary for Director Carpenter to abstain. He further stated that if Mr. Carpenter did abstain then he would abstain as well. Directors Amaya and Post acknowledged that both candidates were well qualified and both would make ideal board members. Solely on the basis of availability to attend regularly scheduled Thursday meetings without conflict, President Post made motion to appoint Mr. Marke to the available vacant Directorship. After some delay, Director Carpenter seconded the motion. President Post then called for the vote.
